MARLUX MEDICAL

UNI-GLIDE DISPOSABLE PRIVACY CURTAIN INSTRUCTIONS FOR USE
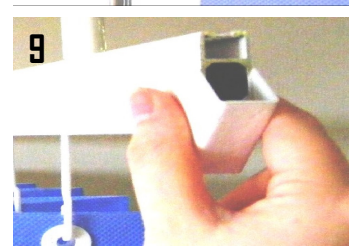

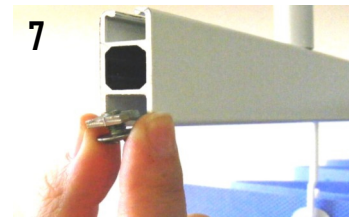

**1** Remove the track cover, if present, on the end of the curtain track.

2 Loosen the end stop with the aid of a screwdriver

3 Remove the end stop

4 Remove the existing curtain and if necessary the gliders.
All Marlux® curtains are 100% recyclable. Marlux® offers a recycling service to its customers (subject to conditions). Please contact Marlux® for more information.

5 Open the plastic sleeve at the hook end of the new disposable curtain.

6 Do not fully remove the plastic sleeve at this stage.
Simply side the pre-fitted uni-glide hooks onto the existing curtain track.
.

7 Replace the end stop.

8 Tighten the end stop with the aid of a screwdriver.

9 If present, replace the track cover on the end of the curtain track

10 Remove the plastic sleeve completely. Write the curtain installation date in the area provided.

To change the curtain repeat from step I with a new Marlux® curtain.
